

For President:
RUTHERFORD B. HAYES,
OF OHIO

For Vice President:
WILLIAM A. WHEELER,
OF NEW YORK

We are tired of the political German and the political Irishman. We are all Americans in this country, and when a candidate asks our suffrage upon any ground, so far as nationality is concerned, we should regard him as a quack.—*New York Herald.*

Very true. There are no political distinctions in this country, and there should be no appeals to nationalities. Nor should these foreign born voters be considered articles of merchandise, and their ballot purchased by either political party. The alien who comes to enjoy our free institutions and partake of our inheritance is a part of the body politic, and as such should be left to perfect freedom in his choice of rulers. Appeals for his suffrage because this party, or that party, is his protector is all moonshine. And the party that stoops to this game is not to be trusted—and especially the party that corrupts the elective franchise by the purchase of votes.

The State Republican Ratification Meeting to be a Grand Success.

The Carsonites are bound to make a success of their proposed State ratification meeting, to be held at that place on the 24th of this month. The very best speakers in the State will be on hand, and some eloquent gentlemen from California are expected.

The following letter from the Secretary of the Republican Central Committee of Ormsby County explains itself:

CARSON CITY, August 19, 1876.
SIR: The Superintendent of the Virginia and Truckee Railroad has fixed the fare for the 24th (the day of the Republican ratification meeting) at one dollar, down and return from Virginia.

Active preparations are being made for the reception of the large crowds we expect from your county and adjoining towns. Yours,

Wm. H. CORBETT, Sec'y.

The speaking will commence at 2 o'clock and the assemblage will be addressed by some of the most prominent orators of Nevada and California, among which may be mentioned Hon. Thomas Fitch, Hon. C. E. DeLong, Governor Woods, Governor Seligman, J. A. Stephens, Esq., Hon. B. C. Whitman, Hon. Thomas W. H. Taylor, Judge Leonard, R. H. Lindley, Esq., and some other good talkers. The ladies are especially invited and the entire affair is free to all.

In addition to the speaking there will be some liberal fun furnished by "Lumber Traders' barbers." Old political customs will be resorted to and visitors at the time will be sure to have a good time. Gold it is to turn out a goodly number. Mr. Hayes and Wheeler will be well represented.—*Gold Hill News.*

"SMUGGLERS" COMING.—It is announced that the coming event of interest in turf life on this Coast is a prospective visit of "Smugglers" and "Lula," the two famous trotters that have been disputing honors with "Goldsmith Maid" as champion of the trotting turf. This event, it is rumored, will be late in the Fall, as their engagements at the East will not be concluded until about the middle of October. Should they come the visit will be both pleasant and profitable, the success of the races between "Goldsmith Maid" and "Lucy" a few years ago, proving how liberally Pacific Coasters can pay for the privilege of witnessing a first-class race.

THE PACIFIC LIFE.—The first number of this new sporting paper has been received, and in all respects is a credit to its projectors, Shaw & Von Arnim, of San Francisco. The paper is devoted to fire and water sports, the protection of fish and game, home recreation, the drama, military and fire department matters. Every man interested in such subjects ought to send \$5 to the publishers and try the paper for a year. It is more than worth ten times the subscription price.

THE PACIFIC COAST MINTS have succeeded, up to the last instant, in turning out 13,740,400 trade dollars. The further manufacture of the somewhat undesirable article, it is said, will be confined to the San Francisco Mint.

LAST month Sacramento shipped 1,194,725 pounds of through fruit to the East by the railroad. Of this amount 647,367 pounds, or 323 tons and 1,367 pounds, consisted of fruit and vegetables.

The new mill for the Consolidated Virginia mine will soon be completed, and will more than make good the loss of the California mill.

THE Consolidated Imperial assessment of \$125,000 will be delinquent in the Board on Friday. The reported favorable developments of the mine will induce stockholders to pay up.

S. W. GREGORY is announced as a candidate for the office of Constable of Reno Township, subject to the Democrats and Independents.

C. A. HOYT has placed us under obligations for a supply of large white grapes.

THE family of William M. Tweed are spending the Summer at Bethlehem, New Hampshire.

THE Circus ad takes up our room this morning. One more insertion and we will not bother you again.

JAMES NEWLANDS has been appointed Secretary of the Crown Point Mining Company.

THE Mexican steamer just in has several consignments of rich ore from the Arizona mines.

THE Yellow Jacket assessment of \$120,000 was added to the price of the stock in the Board last Friday.

GREY & ISAACS, the rulers and regulators of prices of the dry goods trade in Reno, are doing an immense business in their new store on Virginia street, next door to Beck & Co., and opposite their old stand. This wide-awake young firm has revolutionized the dry goods trade in Reno, and intend maintaining their great popularity, if low prices and fair dealings will accomplish it. They have extraordinary facilities for purchasing goods, and are daily in receipt of the latest novelties known to the European and American trade. Ladies will save money by patronizing this energetic young house, for not only have they convinced the entire population of Reno that they have sold goods lower than the same could be bought in San Francisco, but are determined to still continue to run in the same channel. Notwithstanding the enormous advance in the price of Calico, they still continue to sell 16 yards for \$1. Special reduction in black silks and carpets. Ladies just step into the "Centennial" and feast your eyes on the magnificent stock of goods, as your true friends, Grey & Isaacs, will always be pleased to show you their complete assortment of goods, whether you want to buy or not. *

CLOTHES CLEANED AND DYED.—Mr. Felix McHugh having established a clothes cleaning and dyeing business at the Pollard House, is now ready to clean all ladies' and gentlemen's clothing, blankets, gloves, all kinds of furs, and merinos so that they will look as well as new. All kinds of dyeing done with neatness and dispatch. An experience of thirteen years in the East guarantees him to ensure satisfaction. Prices reasonable. Orders left at the dye works will be called for and returned. Give him a trial and all he asks. *

ALLEN C. BRAGA, agent for the Home Mutual and Fidelity Fire Insurance Companies, is prepared to insure your property against loss by fire, in the above first-class companies. Losses promptly adjusted and paid in gold coin. Rates low. Office at C. A. Bragg & Co.'s lumber yard, Reno, Nev. *

DON'T READ THIS!—If you do you will find that you can buy building lots better and in higher state of cultivation than any found in Reno, by calling on Stephen Conner, at the Nursery. jy23

SITUATION WANTED.—By an experienced woman, who understands housekeeping in all of its branches, or to do chamber work in a hotel or lodging house. No objection to going into the country. Inquire for further particulars at the Western House. *

FOR SALE.—A large fine pair of blood mares, and a 3 1/2 inch axle wagon. Apply the Stephen Conner, at the nursery. *

WARNER'S Sanitary Corsets and child's waist and hose supporter introduced to the ladies of Reno by Mrs. Marsh, may be found at Miss Golden's millinery store, Virginia Street. au21-3m*

CENTENNIAL.—New goods, latest novelties, real laces, etc., just arrived at Grey & Isaacs. Call and examine. *

THE Flying Gallery will return to Reno during the State Fair. Wait and get good pictures cheap. *

THE National Gold Medal was awarded to Bradley & Balfour for the best Photographs in the United States, and the Vienna Medal for the best in the world. 429 Montgomery Street, San Francisco. ml1

THE CIRCUS AND MENAGERIE—In all the views to the almost unanimous expression of favor accorded the entertainment given by Cooper, Bailey & Co's International 10 Allied Shows on the 23d, we do but a plain duty. The menagerie, which contained as handsome a pair of Bengal tigers as ever crossed the the Missouri river, a large and beautiful giraffe, a baby elephant, baby dromedary and the baby monkeys, five elephants of different species, the most horrid and savage hyenas (man eaters) we ever viewed a very handsome zebra and a lioness of beauty, and the Asiatic ostrich, with other fine selections of birds, with many other animals we will not here mention, placed the visitor in good trim for entering the pavilion to witness the fine circus performance, which is one of the best traveling. The fine riding of James Robinson, the champion bareback rider of the world, is truly wonderful and without defect, whilst the coolness of his little son Eugene can do nothing but create the greatest admiration. We would be doing injustice did we not mention the gymnasts whose feats are equalled by few if any. No "humbbug" about this show. At least 5,000 people witnessed their evening's performance.

—*Corinne Bluffs Globe, May 24th.*

BREEDING STOCK—Charles Alexander has for the past three weeks been in Reno, the guest of his brother-in-law W. J. Marsh. He brought with him two thoroughbred Cotswold sheep, one a two-year-old ewe and the other a lamb four and a half months old. The latter has during its stay here increased in weight at the rate of a pound a day. They are from Westchester, Pa., and are bound for Healdsburg, Sonoma Co., Cal. The lamb, when full grown, will weigh 300 pounds. As the wool of this breed of animals is both fine and long, it would be a profitable investment to raise them. That they will thrive here needs no further proof than the great increase of weight which this lamb made during its three weeks stay.

HALE FARE—The grand Republican State ratification meeting will be held in Carson to-morrow. It will be the largest political gathering ever witnessed in Nevada. Able speakers will be present and address the assembled multitude. The V. & T. R. R. have generously reduced the fare between Reno and Carson one-half for the regular passenger train of that day. This reduction will enable the Renoites to attend the show. A great many are going.

CLUB MEETING—Remember the special meeting of the Reno Opera and Wheeler Club at the Opera House evening. Every member

ORGANIZED—A branch of the Order of Caucasians was organized by P. L. Dornin the traveling organizer, last night in Judge Gilson's office. This order is being introduced in California until there are now seventy camps in that State, embracing about ten thousand members. This is remarkable considering it has only been about six months since the organization of the Order. This has become already a mighty influence towards the suppression of Chinese employment, and for the encouragement of white labor in that State.

OHIO HOUSE—This is the name of John Hey's new boarding and lodging house, on Virginia street. John is now ready for business. He has spent a good deal of money on the place, which we hope he will soon get back. The house contains sixteen rooms, all nicely furnished. The table will be first-class. The Ohio is strictly a temperance place and makes a quiet family boarding house.

POSTAL CARD MANIA—O. H. Perry is still cock of the walk. He yesterday wrote 1730 words on a postal card, being the greater part of the history of the surrender of Burgoyne. The work was done with a 404 pen, and the time occupied was two hours and thirty minutes. Perry's eyes will be sore soon, if he keeps on as he has begun.

IRRIGATING DITCH—Mr. Orrin Ross and others have formed a joint stock company for the purpose of constructing an irrigating ditch, which will take all water north of the North Truckee Ditch Co's ditch, and a branch below on the meadows, will convey off all drainage, which will be of great benefit to the ranchers near the mouth of the canyon.

RETURNED—J. S. Shoemaker, our County Clerk, and family, who have been visiting the old folks at home and the Centennial for the past couple of months, returned last night. He looks well, and has enjoyed himself hugely, but notwithstanding all this he is glad to get back to the land of his adoption—the home of the sagebrush.

C. R. HILL, the famous gardener of Grass Valley, Cal., was in town yesterday looking after the interest of the fruit forwarding business, in which he has been engaged for some time. A walk in that grand extensive orchard of his down there in that flat is a pleasure which we have enjoyed and hope to again. It is immense.
